

## Immunology of Diabetes V

### A new volume of the Annals of the New York Academy of Sciences to be produced based on the Proceedings of the 9<sup>th</sup> Immunology of Diabetes Society Meeting

---

We request you to kindly submit your papers for publication in this volume. The papers published are cited in PubMed and the Annals in general have an impact factor in excess of 2. This volume becomes special by the fact that all Type 1 diabetes related papers are published in one place for easy reference.

There is no compulsion that you should publish your work here. We invite papers in the following format:

Invited speakers: review on the subject of their talk, not exceeding 20 manuscript pages + two tables and two figures + 30 references.

Oral Presentation: original papers containing 8 manuscript pages + one figure and one table + 15 references

Poster Presentation: Short papers containing 3 manuscript pages + one figure OR one table and 8 references only.

THE LAST DATE FOR SUBMITTING YOUR PAPERS: 15<sup>th</sup> January 2008
