

Subject: Attend FOCIS Virtual Translational Immunology Meeting

---

<Member Society> members are invited to attend the [FOCIS 2020 Virtual Annual Meeting](#) – THE meeting in translational immunology!

The Federation of Clinical Immunology Societies exists to improve human health through immunology.

The [FOCIS 2020 Virtual Annual Meeting](#) on October 28-31, 2020, brings together an interdisciplinary group of world-renowned physicians and researchers to share the latest findings on diseases impacting the immune system.

### FOCIS 2020 Annual Meeting

We're celebrating the 20<sup>th</sup> anniversary of the FOCIS Annual Meeting with an innovative lineup of topics and presenters. The [FOCIS 2020 program](#) has something for everyone!

When you register for the FOCIS 2020 Annual Meeting, you will gain access to:

- More than 20 scientific sessions, presented by more than 50 top clinicians and researchers from around the globe speaking on cutting-edge topics across immunology and its related fields.
- Opening Session with **Dr. Anthony Fauci**, and Keynote Addresses from **Nobel Laureate Dr. Tasuku Honjo**, **Dr. Federica Sallusto** and **Dr. Irv Weissman**.
- 20<sup>th</sup> Anniversary presentations from FOCIS founders Dr. David Hafler and Dr. Garry Fathman, Dr. Maria-Grazia Roncarolo, Dr. Carl June, Dr. Marc Feldman and Dr. Gerald Nepom, as well as a prospective look into the next 20 years.

Hear from other world-class experts in the field including...

Dr. Bana Jabri	Dr. Vishva Dixit
Dr. Ira Mellman	Dr. Jane Grogan
Dr. Jason Cyster	Dr. Jenny Ting
Dr. Lydia Lynch	Dr. Shimon Sakaguchi
Dr. Max Krummel	Dr. Megan Levings
Dr. Michael Fishbach	And many more!

And those breaking new ground on COVID-19 in the special *Immune Response to Vaccines and Infections* Plenary Session...

Dr. Alessandro Sette  
Dr. Barney Graham  
Dr. George Yancopoulos  
Dr. Stanley Perlman.

[Register today](#) to gain a competitive edge in your career. [Join FOCIS prior to registering](#) to secure the lowest registration rates! <Member Society> members receive a reduced rate on FOCIS membership.

**NEW Group Registration:** New this year, group registration is offered to groups of 3+ with a commonality of organization or working group. For more information visit the [FOCIS website](#) or to request the group registration form, please email [info@focisnet.org](mailto:info@focisnet.org).

### Why FOCIS 2020 is Right for You!

- **Get Ahead:** See the latest developments across immunology disciplines to uncover novel solutions to the challenges facing the translational immunology community.
- **Grow Your Knowledge:** Three virtual educational courses held before the virtual meeting to fill your knowledge gaps, including [Basic Immunology in Medicine](#) course, [Cancer Immunity and Immunotherapy](#) course, and [Systems Immunology](#).
- **Participate at Your Own Pace:** Unable to attend a session at its designated? No problem! FOCIS sessions will be available around the clock for you to view at your leisure. You won't even need to leave your house to watch sessions, view abstract posters, talk with exhibitors or network with colleagues from across immunology disciplines.

Your work can still be a part of FOCIS 2020! [Submit your research to present at FOCIS 2020](#). Late-breaking abstract submission is open until August 31, 2020 and will be considered for both oral and poster presentation. [FOCIS members](#) selected for oral presentation will earn a FOCIS Research Award 2020 in the form of complimentary registration.

Stay ahead of the curve by making plans to attend the FOCIS 2020 Virtual Annual Meeting. With an innovative lineup of topics and presenters, the [FOCIS 2020 program](#) has something for everyone! #FOCIS
